

WE'LL ALWAYS PUT YOUR CARE FIRST.

We are committed to providing you a ten out of ten patient experience.

The most important thing to us is your care. We strive to ensure our staff *will always*:

- Listen to you
- Treat you with courtesy and respect
- Schedule an appointment as quickly as you need it
- Bring you into an exam room within 15 minutes of your appointment time
- Administer your flu shot annually
- Help you manage your care with other services or providers
